To Whom It May Concern:

I'm pleased to have this opportunity to provide a recommendation for the band 'Midnight Special'. The Hamburg Enhanced Recreation Organization (H.E.R.O.) first became acquainted with the group in 2006 as we were planning our annual Hamburg Family Fun Fest. We were so impressed with their cooperativeness, style, and ability to entertain and hold the crowds, that they have been invited back from year to year to perform. Each year their audience consists of the thousands of people that attend our festival to witness the fireworks shows. The venue is out-of-doors and Midnight Special entertains the crowds both before and after the fireworks shows. Their performance is outstanding and enjoyed by both young and old.

We are fortunate to have the quality of entertainment provided by Midnight Special and would highly recommend them for any event without reservation – large or small.

Sincerely,

A handwritten signature in black ink, which appears to read "Joanna G. Hardesty". The signature is fluid and cursive, with a large, sweeping flourish at the end.
