

**LIVINGSTON COUNTY
WILDLIFE AND CONSERVATION CLUB
(810) 231-1811**

President – Dick Ungelbach Vice President- Tom Stone Club Manager - Juanita Hunt

To whom it may concern,

Livingston County Wildlife and Conservation Club, (LCWCC), is writing this letter for Doug Hill and the band "Midnight Special". Midnight Special has played at our club on 2 separate occasions and we have them booked for future entertainment. Both times they have packed the house. They are a very popular band and can fill our club. They have a terrific following. The music they play is a wide array of Classic Rock & Roll, and Blues. They take requests and do not play any repeat music. The music they play promotes dancing and the floor is always full with people.

LCWCC is a non-profit organization. We hold 180 -190 people on our main level. This band has provided us with an opportunity to make money for our club and to get the public involved. Doug Hill and the band are a joy to work with. They are easy to schedule and work with us on dates. Doug is always good about re-arranging the bands schedule to fit our schedule dates. Recently we had a band scheduled and they cancelled last minute. So we called Doug and they played for us. If you or your organization would like to view Midnight Special, 2 complementary tickets are available.

LCWCC highly recommends this band for your entertainment. If you should have any further questions, please contact the club at 810-231-1811, or the entertainment committee members:

Pat Weeks	Chair person	734-878-4864	cell: 734-637-1241
Roxanne Sawallich	Co-Chair	517-404-8820	

Make Your choice "Midnight Special".
