Midnight Special;

The Pinckney Pub and Grill would like to take this opportunity to let you and your band members know how much we appreciate your talents. You have performed at our establishment many times now and each and every time you play it's a different and memorable experience. All the members of your band are more than kind to our staff and customers and adapt well to their surroundings.

All of our guests love the variety of music you play and not just the same old rock and roll all other cover bands perform. It's not often you see the lead singer performing as the main drummer and it really brings the magic to your show. Midnight Special is always entertaining and nothing but a crowd pleaser.

We also appreciate your reputation and the company you bring along with your shows. You are always welcome here at the Pinckney Pub and Grill.

Keep on Rockin'!

Sincerley,

Chad Marek

Manager
